Location: Division of Epidemiology, Environmental and Occupational Health Communicable Disease Service Vaccine Preventable Disease Program 135 East State Street 1st Floor, Trenton, NJ 08625			Scope of Eligibility/Open to: Applicants who Meet the Requirements
GENERAL DESCRIPTION			
<p>Under the direction of the Vaccine Preventable Disease Program (VPDP) Manager or Medical Director, this position is responsible for the COVID-19 vaccination response team's daily operations and the supervision of approximately 2,000 medical practices enrolled throughout the State. Monitors the development and implementation of health and vaccination services; maintains ongoing surveillance and adjustments as needed. Coordinates and supervises the field and office work of a specific statewide or regional public health program. Oversees the review, analysis, and reporting of the impact of such health and vaccine services on the actual and anticipated federal funding and legislation, and/or activities planned or proposed by public and private facilities and agencies; coordinates and/or monitors administrative process designs to be followed in the development of these reports. This position supervises COVID-19 field staff visiting local health departments, physicians, and others to provide epidemiological and consultative services and obtain cooperation in reporting communicable disease and related essential data. Supervises work operations and/or functional programs and has responsibility for employee evaluations and for effectively recommending the firing, hiring, promoting, demoting, and/or disciplining of employees. Addresses civic, service, social, educational, and other groups interested in department programs and services.</p>			
REQUIREMENTS (EDUCATION / EXPERIENCE / LICENSES)			
<p>EDUCATION: Graduation from an accredited college or university with a Bachelor's degree.</p> <p>EXPERIENCE: Four (4) years of experience years of experience in a health or social service related program which shall have included responsibility for interviewing, investigating, and/or conducting public health care surveys or patient care services, two (2) years of which shall have been in a supervisory capacity.</p> <p>NOTE: Applicants who do not possess the required education may substitute additional experience as indicated on a year-for-year basis.</p> <p>NOTE: Applicants who do not possess the required education may substitute additional experience as indicated on a year-for-year basis with thirty (30) semester hour credits being equal to one (1) year of experience.</p> <p>LICENSE: Appointee will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.</p>
